Library Report

Wilmot library was established and opened to the public, Wednesday, August 2d. The trustees purchased 58 books and a few had been contributed. Through the indefatigable labors of the trustees and kindness of many friends, there are at the present time five hundred and eighty-nine books in the library.

In the selection of books, thought has been given to the younger readers, both by trustees and friends. F. E. Goodhue has recently given thirty books for boys and girls.

The Y. L. B. society gave an entertainment, the proceeds of which were used to purchase books for the library.

One magazine has been subscribed for by W. C. Bradbury.

I desire to express my sincere thanks for all gifts received.

In submitting the foregoing report the School Board wish to say: Through the efforts of the teachers and pupils, entertainments have been held whereby funds have been procured to buy a flag, and globe for the school at the Center, a flag and dictionary for the school at the Flat and a globe and other articles for the Kearsarge school. Three flag poles have been generously donated by citizens of the district.

The School Board wish to thank all who in any way contributed to the above named articles.

It has been estimated that there are sufficient funds in the treasury for supplies and High School tuition and no recommendation will be made for this purpose.

Respectfully,

THOMAS GRANEY,	} School
JOHN H. GREELEY,
